

# STOP GOVERNOR HOCHUL'S "QUARANTINE CAMP" REGULATION

**THE REGULATION: FORCED ISOLATION AND QUARANTINE**  
NY Gov. Kathy Hochul wants **the power to create "quarantine camps"** in New York State. These "quarantine camps" are already being used in China, Australia, and New Zealand.

**THE RULING: UNLAWFUL AND OVERTURNED**  
The New York State Supreme Court **ruled the regulation that allowed for "quarantine camps" unconstitutional** and in violation of New York State law.

**NOW GOVERNOR HOCHUL AND ATTORNEY GENERAL LETITIA JAMES  
ARE APPEALING THE NEW YORK SUPREME COURT DECISION**

They want the power to strip you of your rights and the ability **to indefinitely detain you in "quarantine camps"**—without having to prove that you are sick or a health threat to others.

## WHAT YOU CAN DO

### Contact Governor Hochul and AG James

Demand they withdraw their appeal and let them know that you oppose their unconstitutional regulation.
